# CAREER COACHING, VAASA

**Are you a jobseeker in the Ostrobothnia employment area?  
Looking for practical tools and strategies to boost your job search?  
Join our intensive career coaching group!**

In this coaching you will get practical support for your job search and sharpen your job search skills with the support of the group and our experienced coaches. The coaching is open to everyone, regardless of your professional background or how long you have been looking for work. What matters most is your motivation and willingness to move forward.

## WHAT DOES THE COACHING INCLUDE?

**Job search channels** –

where and how to find open positions and hidden job market opportunities.

**Job search documents** –

how to write a strong CV, cover letter and LinkedIn profile that stands out.

**AI tools and digital skills** –

how to use the latest technology to make your job search faster and more effective.

## IMPLEMENTATION

The coaching includes in-person days in Vaasa as well as online sessions.

The coaching language is English.

You will have the opportunity to develop your job search, digital and IT skills with the support of our coaches.

### **Intensive career coaching in English takes place 12.–15.10.2026.**
