Työpaikkasuomea Arffmannilla

TARGET GROUP

The service is aimed at the company's foreign-language/non-Finnish speaking employees who need to develop their professional knowledge of the Finnish language.

THE GOAL OF THE SERVICE

The employee is able to use the Finnish language more skillfully at work. Developed language skills increase commitment to the work community and career continuity.

GROUP SIZE

Flexible. Agreed together with the client company.

CONTENT

Industry-specific vocabulary and management of work-related situations. The content of the training is planned on a company-by-company basis, utilizing authentic communication situations and materials in the workplace.

PRICE

The training is joint procurement training, in which case the employer (company) and the local ELY center share the cost for the training. The employer's contribution to specific training varies and it can be 30–50 %.

1–3 people 100–120 € / h + VAT 25,5 %
4-9 people 120-140 €/ h + VAT 25,5 %
10 people or more 150–160 € / h + VAT 25,5 %

LOCATION: The whole of Finland.

TIMING: Flexible. Agreed together with the client company.

DURATION AND IMPLEMENTATION

At least 70 hours / student, i.e. 10 study days. The implementation method and schedule of the training is adapted to the needs of each company.
