

# RÄÄTÄLI-COACHING, LAHTI

## GOAL OF THE COACHING

Räätäli-coaching is coaching tailored to your unique journey. Its purpose is to support job seekers in overcoming employment challenges. This service combines traditional job coaching elements with a focus on addressing issues related to work ability.

## TARGET GROUP

This service is aimed at job-seeking clients of all ages registered with the municipality's employment services, providing personalized support to those who need it.

Educational background or profession does not matter for participation. We provide you the support of a diverse team and a personal coach to help you plan and develop your employment and career choices.

## REGISTRATION

Join by contacting the employment services in your municipality.
