

Pian töihin – Fast Track to Employment

Individual support for quick employment of job seekers in the Mikkeli region

Are you already actively looking for work and ready to return to working life, but still need some support to find the right job for you? The Pian töihin service offers personal guidance and hands-on help to refine and boost your job search.

This service is for you if you already have the skills and readiness to enter the open labor market, and you want to ensure that your experience and expertise stand out to employers and support your path to employment.

DURING THE SERVICE, YOU WILL RECEIVE:

- Information about open job opportunities and support in contacting employers
- Access to the expertise of a personal coach and recruitment professionals

The goal is fast and lasting employment – practical and effective.

WHO IS IT FOR?

The service is intended for job seekers in the Mikkeli employment area who are already prepared to enter the open labor market. It is especially suitable for those who have previously participated in employment-promoting services such as coaching or training and who now need additional support in their job search.

The service is available in the following municipalities: Mikkeli, Hirvensalmi, Juva, Kangasniemi, Puumala, and Mäntyharju.

DURATION AND IMPLEMENTATION

The service begins with a short initial assessment to define your job search goals. After that, you'll continue with the support of a personal coach. Meetings are flexible and mainly held remotely.

The coaching can last up to 6 months, depending on your individual needs. The content is tailored to support quick employment. The service is available in Finnish, Swedish, and English. We also use simple Finnish when needed to ensure clear communication.

HOW TO JOIN THE SERVICE

You can join the service by discussing it with your employment advisor. You can contact your advisor through the Oma asiointi section on Työmarkkinatori or by calling Mikkeli Employment Services, Mon–Fri between 9:00 and 15:00 at +358 15 194 2200.
