Solution for

Integration. Language training. Recruitment

Why choose us?

We are Finland's largest integration educator for adult immigrants and a nationally significant provider of work life coaching. We already have over two hundred top experts in education and training.

Every day we work with 1500 customers.

We make language available to everyone.

We take a Language Education towards a consistent level of service

through pedagogically, linguistically and technically achievable solutions for everyone

Pedagogical: consider shift work, not tied to one place, every hour becomes effective.

Linguistic: all skill levels taken into account. It is not based on groups or past performance, but on knowledge and use of the language.

Technical: bring your own device, a model that works on all operating systems and browsers, no separate logins needed.

Possible also in the country of origin.

Flexible and easy for the student

- ✓ **Lessons can be selected according to skill level and goals from the schedule 8-21 and on weekends.**
- ✓ **It is a real-time interactive teaching, with an access to 3 days recordings.**
- ✓ **The customer knows the goal of the lesson before the lesson. The main focus is on the oral general and professional language skills.**
- ✓ **AI-solutions support customer's own oral language learning.**
- ✓ **Teaching a genuinely functional grammar-magic to those who are thirsty for it.**

Extracts from the schedule (e.g.)

- 🗣 Monday, 8.00 - 8.30 Beginner2: I can respond, if someone says that is sick or not feeling well
- 🗣 Tuesday 18.00 - 19.00 Intermediate: I can explain and justify my opinion on a healthy diet
- 🗣 Thursday 14.00 - 15.00 Beginner1: I can understand simple oral and written work instructions (hae, vie, tuo, paista, poimi)
- 🗣 Saturday 10.00 - 11.00: I can identify the causes of basic allergies from the table of contents (esim. sisältää vehnää)
