

VAHVANA TYÖHÖN

Personal coaching to support your career path

Are you unemployed and you need help finding a job?
Would you like to improve your Finnish language skills for work?

Vahvana työhön -coaching can help you!

What is Vahvana työhön?

Vahvana työhön is a service where you and a personal coach from Arffman will work together to find solutions on how you could get a job. During the service you will get support in recognizing your own skills and create a plan to achieve your career goals. In addition, you will get a better understanding of the labor market.

After coaching, you will know what kind of job you want and how to apply for it. Our coach will be your guide throughout the process.

Duration:
max
9 months

Location:
Lapland

This service is suitable for you if:

- You are an immigrant and you live in Lapland
- You are a client and jobseeker at the TE-Office
- You want to learn more Finnish

Towards working life

- Starting point. Recognizing professional skills and strengths
- Career options. Designin personal career path
- Basics for job search. Documents, job interviews, channels for job search etc.
- Work life skills
- Employment knowledge
