

Learn Finnish online quickly and easily

With Arffman's Suomi-hubi Kieli, you can progress from the beginning level to the basic language skill level (A2) in a few months. You can join lessons from your own device, from any location, and at any skill level.

SUOMI-HUBI

In Suomi-hubi, you learn Finnish online

- The service is based on a monthly fee
- At the beginner level, real-time contact teaching is provided 3 times a week in a small group (at other levels, it is 5 times/per week).
- Two times a week, independent, guided study using Suomi-hubi materials
- You can participate and access study materials on your own device, no need for additional purchases or commutes
- Start at your own level (Beginner-Advanced)

CONTENTS

The teaching is organized in cycles, you can join at any time. You can move between skill levels flexibly according to your own abilities or participate in two levels at the same time if you wish. Topics covered in the cycle include:

- Ihminen ja lähipiiri
- Koti ja asuminen
- Arkielämä ja asiointi
- Yhteiskunta
- Luonto ja ympäristö
- Vapaa-aika ja harrastukset
- Terveys ja hyvinvointi
