# Career Introduction Day

FOR INTERNATIONAL PROFESSIONALS

## UNLOCK YOUR CAREER PATH!

Are you a foreign language-speaking expert looking to launch your career in Finland and connect with potential employers? Look no further! Join our Career Introduction Day service and take the first step to finding exciting opportunities in your field. Learn about the Finnish work culture and gain valuable insights and connections to help you succeed in the Finnish job market.

### DESCRIPTION:

Career Introduction Day is a part of the Talent Boost initiative, designed to bridge the gap between international talents and Finnish companies.

Over a span of 1-5 days, you'll have the chance to immerse yourself in the Finnish work environment, directly applying your skills and expertise.

Communication during this introductory period will be in English and/or simplified Finnish, ensuring smooth and effective interaction. This program is free.

### WHAT CAN YOU EXPECT FROM CAREER INTRODUCTION DAY?

- Showcase your skills and expertise to employers to demonstrate how you can meet their needs.
- Network with professionals to make connections for potential job opportunities.
- Immerse yourself in the daily operations of a workplace that matches your career goals.
- Discover and reflect on your potential by engaging in practical work tasks.
- Expand your professional network to unlock new opportunities.

**DURATION:** 1-5 days

**LOCATION:** Oulu

**SCHEDULE:** March - May

### TARGET GROUP

Career Introduction Day is open to students, job seekers, and individuals accompanying their spouses to Oulu.

### HOW TO REGISTER:

For registration, contact either your educational institution or your personal OMA-coach at the Employment Services.
